WORK EXPERIENCE

Co-founder of Web-Hosting Service Registrar Web-hosting

01/2011 - 2015

PERSONAL PROJECTS

Entertainment Website (Kurdwave) (09/2009 - 01/2011)

- My designing and publishing skills had developed more

EDUCATION

Geotechnical Engineering (One year) Koya University

10/2019 - 09/2020

Top student of the stage

Mechanical and Mechatronics Engineering Salahaddin University-Erbil

09/2020 - Present

SKILLS

Information Technology

Programming

Engineering Drawing

Electronics Knowledge

Critical Thinking

Communication skills

CERTIFICATES

"AutoCAD A to Z" training (10/2020 - 11/2020)

A course led by Field Ready - Erbil Makerspace

Arduino and Hardware Interfacing Course

16 Hours Course By: Field Ready - Erbil Makerspace

LANGUAGES

Kurdish

Native or Bilingual Proficiency

English

Full Professional Proficiency

Arabic

Limited Working Proficiency

German

Elementary Proficiency

INTERESTS

Mechatronics and Roboting

Manufacturing

Automobiles

Machines

Mechanical Engineering Related Activities

Problem-Solving

Learning Languages

Watching Movies and Animes

Researching on science

Reading Literature
